# Quality Educational Enrichment Programs for Young Children

**Ages 6 months and up!** If the following times don't fit your schedule, please give us a call and we'll see what we can do to accommodate your needs. We are also in the process of finalizing the addition of a **computer curriculum for children ages 6 years+** and **Lego® robotics** classes. Ask about our playgroups, free trial classes, gift certificates, and portable classes.
