## Fall 2007 – Internet Scavenger Hunt

*Parents – please take some time to help your children complete this fun scavenger hunt at home. It gives them time to practice their computer skills and also time for you to spend together on a fun, educational project. Your child can also bring the completed sheet into our LaSalle Plaza location for **20% off** any educational toy! (Cannot be combined with other discounts or offers).*

### Activity 1: What is Fall?

Visit [www.dictionary.com](http://www.dictionary.com) and type in the word “fall” and click on “search”. There are many definitions for the word “fall”. Look specifically at definition #30 and have your child fill in the missing words below.
